Parish register 1826-1830 (Page 133) - Hallblom family

Anders Petter Hallblom1701 - 18/10

Maja Stina Olsdotter	1726 - 30/3	Lerbäck
Carl Johan	1821 - 3/10	Lerbäck
Clara Gustava	1826 - 2/7	Lerbäck
Anna Lovisa	1829 - 15/2	Lerbäck

The family is moving to Masugnsstugan 1827 from Kofallet in parish of Hammar. I think Anders Petter is rifleman and is sending away 1836 for duty in Värmland. But i can found Carl Johan in book of the born in Lerbäck parish, and same with Clara Gustava. In the book of pople moving out 1827 from hammar parish i can find pair from Kofallet. But i cant find Kofallet in the parish register. In the book of people moving from Hardemo i can find Anders Petter moving in the year 1826. Think it is to Lerbäck.

Its hard to keep tracking this family. But i think Anders Petter is moving around lots to work, when his family is in Masugnsstugan. But i cant se them there.
